

Notice of Data Security Incident

Bonita Springs, Florida – May 26, 2026 – Florida Retina Center is notifying individuals whose personal information may have been involved in a recent network security incident. Florida Retina Center takes the privacy and security of information in its possession very seriously and sincerely apologizes for any inconvenience this incident may cause. This notice is intended to alert potentially impacted individuals of the incident, steps we are taking in response, and resources available to assist and protect individuals.

What Happened On or about January 30, 2026, Florida Retina Center detected that it was the target of a data security incident. An unauthorized third party attempted to infiltrate its network environment. Upon detecting the incident, Florida Retina Center moved quickly to secure its network environment and engaged a specialized third party forensic incident response firm to assist with securing the network environment and determine the scope and extent of any potential unauthorized access of our systems. After extensive investigation, which concluded on May 19, 2026, we determined that an unauthorized third-party may have accessed and/or acquired certain personal information as a result of this incident.

As of this writing, Florida Retina Center has not received any reports of misuse of information and/or related identity theft since the date the incident was discovered.

What Information Was Involved Again, we found no evidence that patient information has been specifically misused. However, the following information may have been potentially exposed to an unauthorized third party: name, date of birth, Social Security number, driver's license number and/or medical information. **Notably, the types of information affected were different for each individual, and not every individual had all of the above listed elements exposed.**

What We Are Doing Data security is one of our highest priorities. Upon detecting this incident we moved quickly to initiate a response, which included conducting an investigation with the assistance of IT specialists and confirming the security of our network environment. We have also reviewed and enhanced our technical safeguards to prevent a similar incident.

The notification letter to the potentially impacted individuals includes steps that they can take to protect their information. In order to address any concerns and mitigate any exposure or risk of harm following this incident, Florida Retina Center has arranged for complimentary credit monitoring services and identity theft protection services to all potentially impacted individuals at no cost to them for a period of twelve months. Florida Retina Center recommends that individuals enroll in the services provided and follow the recommendations contained within the notification letter to ensure their information is protected.

For More Information For individuals seeking more information or questions about this incident, please call 1-844-593-8431, Monday through Friday, 8:00 a.m. and 8:00 p.m. ET, excluding holidays.

Thank you for entrusting Florida Retina Center with your treatment needs. We value the security of the personal data that we maintain, and understand the frustration, concern, and inconvenience that this incident may have caused. We look forward to continuing to provide high quality care to you, your family, and the Florida Retina Center community.
